

Children's Online Privacy Protection Statement

Michigan First Credit Union does not knowingly collect, nor is our website designed or directed to use personal information from children under the age of 13 without containing verifiable consent from a parent. We offer a youth website that children can access external links to other sites that are age-appropriated. Should a child choose to submit information or questions to us through a website, we will take no action with respect to such information or questions until we have provided parental notice and have received parental consent. If such consent is not received within five days, we will not respond and the information and questions will be deleted from our records. In no event would the questions or information be shared with any other party or used for any other purpose.
